BLANCO LEXA™ - new SILGRANIT® sink collection

Gentle shapes deliver modern function for larger kitchens.

TORONTO, Jan. 21, 2016 – Ambitious home chefs with supersized kitchens demand fixtures that work as hard as they do. That is why the BLANCO LEXA™ features over-sized width, equal-size, double sink bowls and an integrated drainboard.

The smart design can accommodate sink cabinet bases with popular 33-inch widths and higher, allows for a topmount or undermount installation, and offers a reversible setting for the drainboard position.

Made of the beautiful, durable SILGRANIT® material — with its exceptional resistance to heat, stains, scratches, impact and acids — the gently-shaped BLANCO LEXA™ collection comes in five non-fading colours: White, Metallic Gray, Cinder, Café and Anthracite. BLANCO LEXA™ sinks can also be matched with a variety of BLANCO kitchen faucets offered both in popular Stainless Finish and Chrome assortment, and in a large selection of SILGRANIT® colour-match and dual finish faucets.

About BLANCO

Family-owned since 1925, BLANCO has consistently elevated the standards for luxury sinks, faucets and decorative accessories. Its history begins with a team of 30 loyal employees producing copper galvanized parts in Oberderdingen, Germany. In 2014, BLANCO made its 50-millionth sink, and in 2015 marked its 90th anniversary worldwide. Proud of its European heritage and award-winning German engineering, BLANCO is recognized globally for the design leadership, attention to detail and superior craftsmanship found in its handcrafted STEELART® sinks, in the natural warmth and beauty of SILGRANIT®, and in the elegant artistry of BLANCO kitchen faucets.
